

**Simon Derrick** COMMENTATOR, *The Morning Briefing*

**Simon Derrick, Chief Currency Strategist and Head of the BNY Mellon Markets Strategy Team**

Simon established the Markets Strategy Team more than 10 years ago, and has guided its development into a preeminent center of excellence within BNY Mellon. His insights and commentaries have made him an indispensable source for financial journalists around the world, and his frequent on-air appearances have made him a fixture on electronic news outlets.

**Neil Mellor** COMMENTATOR, *The Morning Briefing*

**Neil Mellor, Managing Director and Senior Currency Strategist, BNY Mellon Markets Strategy Team**

Neil is a contributor to BNY Mellon's award-winning markets commentary and analysis. Neil is regularly quoted in the mainstream press and makes regular appearances on radio and television - broadcast around the world – to outline the company's views on a range of markets.

**Jiangang Dou** COMMENTATOR, *iFlow Weekly*

**Jiangang Dou, Vice President and Senior iFlow® and Markets Quant Analyst, BNY Mellon Markets Strategy Team**

As a senior analyst in BNY Mellon Markets, Jiangang focuses on quantitative strategies — his main responsibility is to explore alpha capturing opportunities across FX, equity and bond markets via iFlow, iFlow Metrics and financial markets price models.

**Samarjit Shankar** COMMENTATOR, *iFlow Weekly*

**Samarjit Shankar, Managing Director and Head of iFlow® and Quant Strategies, BNY Mellon Markets**

Samarjit is responsible for producing analysis especially responsive to the investment strategy and alpha-generating needs of institutional clients globally. He is a macroeconomist and his team built iFlow, a multi-asset class research tool that covers FX, equity and bond strategies across developed and emerging markets.

**Marvin Loh** COMMENTATOR, *Fixed Income Market Update*

**Marvin Loh, Managing Director and Senior Global Markets Strategist, BNY Mellon Markets**

Marvin monitors market, industry and credit developments, and formulates their impact on a wide range of fixed income asset classes, including rates, corporates, high yield, emerging market and municipal bonds. He focuses on identifying relative value opportunities across various risk classes through monitoring the flow, correlation and volatility of asset types.

**Peter Madigan** EDITOR-AT-LARGE, *The Aerial View*

**Peter Madigan, Editor-at-Large, BNY Mellon Markets**

Peter is responsible for crafting the division's written content across the FX, capital markets, securities financing and collateral management businesses. In addition to drafting original copy, Peter also acts as content editor for our market commentators and industry spokespersons, ensuring that Markets communicates externally with a single, consistent narrative voice.
